

APPENDIX 7

IMPORTANT VIEWS IN NASSINGTON

1. View northeast from Woodnewton Road close to the Plan area boundary to west side of the village

2. View south from Woodnewton Road, over open countryside and the Nene valley to the boundary with Fotheringhay

3. Village view (south side) west along Church Street towards the church. Wide verges are a characteristic part of the scene

4. Village view (east side) south along Station Road from 'Coal Yard green'

5. View west from Nene valley meadows at Wilgay Occupation Bridge to the village, church spire in the background

6. View north from Fotheringhay Road to the village and the high ground beyond

7. Northeast toward the village from the Nene Way long-distance footpath close to Newton Hill

8. East toward the village from Apethrope Road

9. South toward the church from the northern boundary of the parish

10. Southeast from Mill Road into the river Nene valley
